Re: Proposal to enroll City as Wholesale Electric Market Participant

Dear Randy,

Please find enclosed a Proposal from Freedom Energy to undertake the enrollment and participation of the City in the New England Power Pool, ISO-NE. This is an effort to provide the City with direct access to power generated in the wholesale market and lead to a procurement strategy that will enable the City to lower its power costs.

Freedom Energy looks forward to responding to any questions the City's staff or officials may have regarding this Proposal.

Sincerely,

August G. Fromuth  
Managing Member
